CONDOMINIUM BYLAWS

LIBERO 985 PAGE 097

**ARTICLE I
ASSOCIATION OF OWNERS**

Inland House Condominium, a residential hotel condominium project located in Little Traverse Township, Emmet County, Michigan, shall be administered by an Association of Co-owners which shall be a non-profit corporation, hereinafter called the "Association", organized under the applicable laws of the State of Michigan, and responsible for the management, maintenance, operation and administration of the Common Elements, easements and affairs of the Condominium Project in accordance with the Condominium Documents and the laws of the State of Michigan. These Bylaws shall constitute both the Bylaws referred to in the Master Deed and the Bylaws provided for under the Michigan Nonprofit Corporation Act. Each Co-owner shall be entitled to membership and no other person or entity shall be entitled to membership. The share of a Co-owner in the funds and assets of the Association cannot be assigned, pledge or transferred in any manner except as an appurtenance to his Unit. The Association shall keep current copies of the Master Deed, all amendments to the Master Deed and other Condominium Documents for the Condominium project available at reasonable hours to Co-owners, prospective purchasers and prospective mortgagees of Units in the Condominium Project. All Co-owners in the Condominium Project and all persons using or entering upon or acquiring any interest in any Unit therein or the Common Elements thereof shall be subject to the provisions and terms set forth in the aforesaid Condominium Documents.

**ARTICLE II
ASSESSMENTS**

All expenses arising from the management, administration and operation of the Association in pursuance of its authorizations and responsibilities as set forth in the Condominium Documents and the Act shall be levied by the Association against the Units and the Co-owners thereof in accordance with the following provisions:

Section 1. Expenses of Administration. Expenditures affecting the administration of the Project shall include costs incurred in the satisfaction of any liability arising within, caused by, or connected with, the Common Elements or the administration of the Condominium Project. Receipts affecting the administration of the Condominium Project shall include all sums received as the proceeds of, or pursuant to, a policy of insurance securing the interest of the Co-owners against liabilities or losses arising within, caused by, or connected with the Common Elements or the administration of the Condominium Project.

The expenses directly related to the rental of the hotel Units (such as room cleaning fees and marketing) shall not be considered Expenses of Administration and shall be paid separately by the Co-owners of the Hotel Units through the payment of rental management fees and/or separate billings, if necessary. Any actions performed by the hotel manager or by other professional staff that are performed for the entire Condominium shall be considered an Expenses of Administration of the entire Condominium. Any actions performed by the hotel manager or by other professional staff that are related to the rental of any hotel Units in the rental management program shall not be considered an Expense of Administration of the Project.

Section 2. Determination of Assessments. Assessments shall be determined in accordance with the following provisions:

(A) Budget and Annual Assessment. The Board of Directors of the Association shall establish an annual budget in advance for each fiscal year and such budget shall project all expenses for the forthcoming year which may be required for the proper operation, management and maintenance of the Condominium Project, including a reasonable allowance for contingencies and reserves. An adequate reserve fund for maintenance, repairs and replacement of those Common Elements that must be replaced on a periodic basis shall be established in the

budget, including any special annual escrow payments for sewer system maintenance required by Section 4(A) of Article IV, and must be funded by regular installment payments as set forth in Section 3 below rather than by special assessments. At a minimum, the reserve fund shall be equal to 10% of the Association's current annual budget on a non-cumulative basis. Since the minimum standard required by this subparagraph may prove to be inadequate for this particular Project, the Association of Co-owners should carefully analyze the Condominium Project to determine if a greater amount should be set aside, or if additional reserve funds should be established for other purposes from time to time. Upon adoption of an annual budget by the Board of Directors, copies of the budget shall be delivered to each Co-owner, and the assessment for said year shall be established based upon said budget, although the failure to deliver a copy of the budget to each Co-owner shall not affect or in any way diminish the liability of any Co-owner of any existing or future assessments. Should the Board of Directors at any time decide, in the sole discretion of the Board of Directors: (1) that the assessments levied are or may prove to be insufficient to pay the costs of operation and management of the Condominium, (2) to provide replacements of existing Common Elements, (3) to provide additions to the Common Elements not exceeding \$3,000 annually for the entire Condominium Project, or (4) in the event of emergencies, the Board of Directors shall have the authority to increase the general assessment or to levy such additional assessment or assessments as it shall deem to be necessary. The Board of Directors also shall have the authority, without Co-owner consent, to levy assessments pursuant to the provisions of Article V, Section 3, hereof. The discretionary authority of the Board of Directors to levy assessments pursuant to this subparagraph shall rest solely with the Board of Directors for the benefit of the Association and its members, and shall not be enforceable by any creditors of the Association.

(B) Special Assessments. Special assessments, in addition to those required in Section 2 (A) above, may be made by the Board of Directors from time to time and approved by the Co-owners as hereinafter provided to meet other requirements of the Association, including, but not limited to: (1) assessments for addition to the Common Elements of a cost exceeding \$3,000 for the entire Condominium Project per year, (2) assessments to purchase a Unit upon foreclosure of the lien for assessments described in Section 5 hereof or (3) assessments for any other appropriate purpose not elsewhere herein described. Special assessments referred to in this Section 2 (B) (but not including those assessment referred to in this Section 2 (A) above, which shall be levied in the sole discretion of the Board of Directors) shall not be levied without the prior approval of more than 60% of all Co-owners. The authority to levy assessments pursuant to this subparagraph is solely for the benefit of the Association and its members and shall not be enforceable by any creditors of the Association or its members.

Section 3. Apportionment of Assessment and Penalty for Default. Unless otherwise provided herein or in the Master Deed, all assessments levied against the Co-owners to cover expenses of administration shall be apportioned among and paid by the Co-owners based upon the Percentages of Value set forth in Article V, Section 2 of the Master Deed. Office Unit 21 shall not share in the payment of the Expenses of Administration of the Condominium because of the fact that the use of Office Unit 21 is restricted to use as an office for hotel operation and management, which is a use that benefits all of the other Units in the Project and which severely limits the salability and value of the Unit.

Annual assessments as determined in accordance with Article II, Section 2(A) above shall be payable by the Co-owners in quarterly installments, commencing with acceptance of a deed to or a land contract vendee's interest in a Unit, or with the acquisition of fee simple title to a Unit by any other means. The frequency of the installments can be changed at the discretion of the Board of Directors.

The payment of an assessment shall be in default if such assessment, or any part thereof, is not paid to the Association within 30 days of the date it is billed. A penalty equal to 1.5% of the amount in default per month shall be imposed on any amount in default and shall be added to the amount in default without further billing until paid in full. In addition to this penalty, the Association may levy fines for late payment pursuant to Article XXVIII below. Each Co-owner (whether one or more persons) shall be, and remain, personally liable for the payment of all assessments (including fines for late payment and costs of collection and enforcement of payment) pertinent to his Unit which may be levied while any such Co-owner is the owner thereof.

Sums assessed to a Co-owner by the Association of Co-owners which are unpaid constitute a lien upon the Unit or Units in the Project owned by the Co-owner at the time of assessment before other liens, except tax liens on the Condominium Unit in favor of any state or federal taxing authority and sums unpaid on a first mortgage of record, except that past due assessments which are evidenced by a notice of lien, recorded as set forth in Section 5, have priority over a first mortgage recorded subsequent to the recording of the notice of lien. The lien upon each Condominium Unit owned by the Co-owner shall be in the amount assessed against Unit, plus a proportionate share of the total of all other unpaid assessments attributable to Condominium Units no longer owned by the Co-owner but which became due while the Co-owner had title to the Condominium Units. The lien may be foreclosed by an action or by advertisement by the Association in the name of the Condominium Project on behalf of the other Co-owners.

Payments on account of assessments in default shall be applied as follows: first, to costs of collection and enforcement of payment, including reasonable attorney fees; second, to any interest charges and fines; and third, to installments in default in order of their due dates.

A Co-owner selling a Unit shall not be entitled to any refund whatsoever from the Association with respect to any reserve account or other asset of the Association.

Section 4. Waiver of Use or Abandonment of Unit. No Co-owner may exempt himself from liability for his contribution toward the expenses of administration by waiver of the use or enjoyment of any of the Common Elements or by the abandonment of his Unit.

Section 5. Enforcement.

(A) Remedies. In addition to any other remedies available to the Association, the Association may enforce collection of delinquent assessments by a suit at law for a money judgment or by foreclosure of the statutory lien that secures payment of assessments. In the event of default by any Co-owner in the payment of any installment of the annual assessment levied against his Unit, the Association shall have the right to declare all unpaid installments of the annual assessment for the pertinent fiscal year immediately due and payable. The Association also may discontinue the furnishing of any utilities or other services to a Co-owner in default upon 7 days written notice to such Co-owner of its intention to do so. A Co-owner in default shall not be entitled to utilize any of the General Common Elements of the project and shall not be entitled to vote at any meeting of the Association so long as such default continues; provided, however, this provision shall not operate to deprive any Co-owner of ingress and egress to and from his Unit. In a judicial foreclosure action, a receiver may be appointed to collect a reasonable rental for the Unit from the Co-owner thereof or any persons claiming under him. The Association may also assess fines for late payment or nonpayment of assessments in accordance with the provisions of Article XXI of these Bylaws. All of these remedies shall be cumulative and not alternative.

(B) Foreclosure Proceedings. Each Co-owner and every other person who from time to time has any interest in the Project, shall be deemed to have granted to the Association the unqualified right to elect to foreclose the lien securing payment of assessments either by judicial action or by advertisement. The provisions of Michigan law pertaining to foreclosure of mortgages by judicial action and by advertisement, as the same may be amended from time to time, are incorporated herein by reference for the purposes of establishing the alternative procedures to be followed in lien foreclosure actions and the rights and obligations of parties to such actions. Further, each Co-owner and every other person who from time to time has any interest in the project shall be deemed to have authorized and empowered the Association to sell or to cause to be sold the Unit with respect to which the assessment(s) is or are delinquent and to receive, hold and distribute the proceeds of such sale in accordance with the priorities established by applicable law. Each Co-owner of a Unit in the project acknowledges that at the time of acquiring title to such Unit, he was notified of the provisions of this subparagraph and that he voluntarily, intelligently and knowingly waived notice of any proceedings brought by the Association to foreclose by advertisement the lien for nonpayment of assessments and a hearing on the same

prior to the sale of the subject Unit.

MEMO 985 PAGE 100

(C) Notice of Action. Notwithstanding the foregoing, neither a judicial foreclosure action nor a suit at law for a money judgment shall be commenced, nor shall any notice of foreclosure by advertisement be published, until the expiration of 10 days after mailing, by first class mail, postage prepaid, addressed to the delinquent Co-owner(s) at his or their last known address, a written notice that one or more installments of the annual assessment levied against the pertinent Unit is or are delinquent and that the Association may invoke any of its remedies hereunder if the default is not cured within 10 days after the date of mailing. Such written notice shall be accompanied by a written affidavit of an authorized representative of the Association that sets forth (i) the affiant's capacity to make the affidavit, (ii) the statutory or other authority for the lien, (iii) the amount outstanding (exclusive of interest, costs, attorney's fees and future assessments), and (v) the name(s) of the Co-owner(s) of record. Such affidavit shall be recorded in the office of the Charlevoix County Register of Deeds prior to commencement of any foreclosure proceeding, but it need not have been recorded as of the date of mailing as aforesaid. If the delinquency is not cured within the 10 day period, the Association may take such remedial action as may be available to it hereunder or under Michigan law.

(D) Expense of Collection. The expenses incurred in collecting unpaid assessments, including interest, costs, actual attorney's fees (not limited to statutory fees) and advances for taxes or other liens paid by the Association to protect its lien, shall be chargeable to the Co-owner in default and shall be secured by the lien on his Unit.

Section 6. Liability of Mortgagee. Notwithstanding any other provisions of the Condominium Documents, the holder of any first mortgage covering any Unit in the Project which comes into possession of the Unit pursuant to the remedies provided in the mortgage or by deed (or assignment) in lieu of foreclosure, or any purchaser at a foreclosure sale, shall take the property free of any claims for unpaid assessments or charges against the mortgaged Unit which accrue prior to the time such holder comes into possession of the Unit (except for claims for a pro rata share of such assessments or charges resulting from a pro rata re-allocation of such assessments or charges to all Units including the mortgaged Unit).

Section 7. Developer's Responsibility for Assessments. The Developer of the Condominium shall only pay an assessment on those Units which are completed. A "Completed" Unit shall mean a Unit with respect to which a certificate of occupancy has been issued.

Section 8. Property Taxes and Special Assessments. All property taxes and special assessments levied by a public taxing authority shall be assessed in accordance with Section 131 of the Act.

Section 9. Personal Property Tax Assessment of Association Property. The Association shall be assessed as the person or entity in possession of any tangible personal property of the Condominium owned or possessed in common by the Co-owners, and personal property taxes based thereon shall be treated as expenses of administration.

Section 10. Construction Lien. A construction lien otherwise arising under Act No. 497 of the Michigan Public Acts of 1980, as amended, shall be subject to Section 132 of the Act.

Section 11. Statement as to Unpaid Assessments. The purchaser of any Unit may request a statement of the Association as to the amount of any unpaid Association assessments thereon, whether regular or special. Upon written request to the Association accompanied by a copy of the executed purchase agreement pursuant to which the purchaser holds the right to acquire a Unit, the Association shall provide a written statement of such unpaid assessments as may exist or a statement that none exist, which statement shall be binding upon the Association for the period stated therein. Upon the payment of that sum within the period stated, the Association's lien for assessments as to such Unit shall be deemed satisfied; provided, however, that the failure of a purchaser to request such statement at least 5 days prior to the closing of the purchase of such Unit shall

render any unpaid assessments and the liens securing the same fully enforceable against such purchaser and the Unit itself, to the extent provided by the Act. Under the Act, unpaid assessments constitute a lien upon the Unit and shall be paid out of the proceeds of sale thereof prior to all claims except real property taxes and first mortgages of record.

ARTICLE III ARBITRATION

Section 1. Scope and Election. Disputes, claims or grievances arising out of or relating to the interpretation or the application of the Condominium Documents, or any disputed claims or grievances arising among or between the Co-owners and the Association, upon the election and written consent of the parties to any such disputes, claims or grievances (which consent shall include an agreement of the parties that the judgment of any circuit court of the State of Michigan may be rendered upon any award pursuant to such arbitration), and upon written notice to the Association, shall be submitted to arbitration and the parties thereto shall accept the arbitrator's decision as final and binding, provided that no questions affecting the claim of title of any person to any fee or life estate in real estate is involved. The Commercial Arbitration Rules of the American Arbitration Association as amended and in effect from time to time hereafter shall be applicable to any such arbitration.

Section 2. Judicial Relief. In the absence of the election and written consent of the parties pursuant to Section 1 above, no Co-owner or the Association shall be precluded from petitioning the courts to resolve any such disputes, claims or grievances.

Section 3. Election of Remedies. Such election and written consent by Co-owners or the Association to submit any such dispute, claim or grievance to arbitration shall preclude such parties from litigating such dispute, claim or grievance in the courts.

ARTICLE IV INSURANCE

Section 1. Nature and Extent of Mandatory Coverage by Association. The Association shall, to the extent appropriate in light of the nature of the General and Limited Common Elements of the Project, carry all risk hazard insurance coverage, public liability insurance, officers' and directors' liability insurance, workmen's compensation insurance, if applicable, and any other insurance the Association may deem desirable or necessary, pertinent to the ownership, use and maintenance of the General and Limited Common Elements. Such coverage shall be in minimum amounts to be determined by the Developer or the Association in the sole discretion of the Developer or the Association as the case may be (but in no event less than \$1,000,000 per occurrence in the case of public liability insurance).

To the extent a Co-owner does or permits anything to be done or kept on the Co-owner's Unit that will increase the rate of insurance, the increased cost of insurance premiums resulting from any such activity or the maintenance of any such condition shall be charged to the Co-owner responsible for such activity or condition.

Section 2. Miscellaneous Provisions Relative to Insurance Coverage by Association. All insurance maintained by the Association shall be carried and administered in accordance with the following provisions:

(A) Insurance Policy Beneficiaries. All insurance carried by the Association shall be purchased by the Association for the benefit of the Association, the Developer and the Co-owners and their mortgagees, as their interests may appear, and provision shall be made for the issuance of certificates of mortgagee endorsements to the mortgagees of Co-owners.

(B) Premium Expenses. All premiums on insurance purchased by the Association pursuant to these Bylaws shall be expenses of administration.

(C) Proceeds of Insurance Policies. Proceeds of all insurance policies relative to the Common Elements or to the administration of the Association generally and which are owned by the Association shall be received by the Association, held in a separate account and distributed to the Association and the Co-owners and their mortgagees, as their interests may appear; provided, however, whenever repair or reconstruction of the Condominium shall be required as provided in Article V of these Bylaws, the proceeds of any insurance received by the Association as a result of any loss requiring repair or reconstruction shall be applied for such repair or reconstruction. Proceeds of any hazard insurance policy owned by the Association which relate to damage or destruction occurring within a specific Unit with respect to a dwelling or related improvements shall be payable only to the Co-Owner of such Unit and his mortgagee(s), as their respective interests may appear.

(D) Authority of Association to Settle Insurance Claims. Each Co-owner, by ownership of a Unit in the Condominium Project, shall be deemed to appoint the Association as his true and lawful attorney-in-fact to act in connection with all matters concerning hazard insurance, liability insurance and workmen's compensation insurance (if applicable) pertinent to the Common Elements and the general administration of the Association, with such insurer as may, from time to time, provide such insurance for the Condominium Project. Without limitation on the generality of the foregoing, the Association as said attorney shall have full power and authority to purchase and maintain such insurance, to collect and remit premiums therefor, to collect proceeds and to distribute the same to the Association, the Co-owners and respective mortgagees, as their interests may appear (subject always to the Condominium Documents), to execute releases of liability and to execute all documents and to do all things on behalf of such Co-owner and the Condominium as shall be necessary or convenient to the accomplishment of the foregoing. This provision shall not confer on the Association any authority to settle claims relating only to damage or occurrences confined solely to a Unit and the Owner thereof (and his mortgagee, if applicable) shall be solely empowered to settle such claims.

Section 3. Responsibilities of Co-owners with Respect to Insurance. Regardless of any insurance coverage which may or may not be maintained by the Association with respect to individual Units, each Co-owner shall, at all times, be solely responsible for obtaining insurance coverage for the Co-owner's personal liability for occurrences within the Co-owner's Unit and for all of the Co-owner's personal property located within the Unit as well as for any other personal insurance coverage that the Co-owner wishes to carry. Nothing contained in this Section, however, shall require any Co-owner to carry hazard insurance or liability insurance with respect to any General Common Elements, which shall remain the sole responsibility of the Association.

Section 4. Waiver of Rights of Subrogation. The Association and all Co-owners shall use their best efforts to cause all property and liability insurance carried by the Association or any Co-owner to contain appropriate provisions whereby the insurer waives its right of subrogation as to any claims against any Co-owner or the Association.

Section 5. Indemnification. Each individual Co-owner shall indemnify and hold harmless every other Co-owner, the Developer and the Association for all damages and costs, including attorneys' fees, which such other Co-owners, the Developer or the Association may suffer as a result of defending any claim arising out of an occurrence on or within such individual Co-owner's Unit and shall carry insurance to secure this indemnity if so required by the Association (or the Developer during the Development and Sales Period). This Section 6 shall not be construed to give any insurer any subrogation right or other right or claim against any individual Co-owner, however.

ARTICLE V RECONSTRUCTION OR REPAIR

Section 1. Responsibility for Reconstruction or Repair. If any part of the Condominium Premises shall be damaged, the determination of whether or not it shall be reconstructed or repaired shall be made in the following manner:

(A) General Common Elements. If the damaged property a Common Element, the damaged property shall be rebuilt or repaired by the Association unless all of the Co-owners and all of the institutional holders of mortgages on any Unit in the project unanimously agree to the contrary.

(B) Unit or Improvements Thereon. If the damaged property is a Unit or any improvements thereon, the Co-owner of such Unit shall remove all debris, rebuild and repair the Unit and the damaged property and restore his Unit and the improvements thereon to a clean and attractive condition satisfactory to the Association and in accordance with the provisions of Article VI hereof as soon as reasonably possible following the occurrence of the damage.

Section 2. Repair in Accordance with Master Deed. Any such reconstruction or repair shall be substantially in accordance with the Master Deed and the original plans and specifications for any damaged improvements located within the Unit unless the Co-owners shall unanimously decide otherwise.

Section 3. Association Responsibility for Repair. Immediately after the occurrence of a casualty causing damage to property for which the Association has the responsibility of maintenance, repair and reconstruction, the Association shall obtain reliable and detailed estimates of the cost to place the damaged property in a condition as good as that existing before the damage. If the proceeds of insurance are not sufficient to defray the estimated cost of reconstruction or repair required to be performed by the Association or if at any time during such reconstruction or repair, or upon completion of such reconstruction or repair, the funds for the payment of the cost thereof are insufficient, assessment shall be made against all Co-owners for the cost of repair. This provision shall not be construed to require replacement of mature trees and vegetation with equivalent trees or vegetation.

Section 4. Timely Reconstruction and Repair. If damage to the Common Elements adversely affects the appearance of the Project, the Association shall proceed with replacement of the damaged property without delay.

Section 5. Eminent Domain. The following provisions shall control upon any taking by eminent domain:

(A) Taking of Unit or Improvements Thereon. In the event of any taking of all or any portion of a Unit or any improvements thereon by eminent domain, the award for such taking shall be paid to the Co-owner of such Unit and the mortgagee thereof, as their interests may appear, notwithstanding any provision of the Act to the contrary. If a Co-owner's entire Unit is taken by eminent domain, such Co-owner and mortgagee shall, after acceptance of the condemnation award therefore, be divested of all interest in the Condominium Project.

(B) Taking of Common Elements. If there is any taking of any portion of the Common Elements, the condemnation proceeds relative to such taking shall be paid to the Co-owners and their mortgagees in proportion to their respective interests in the Common Elements and the affirmative vote of more than 50% of the Co-owners shall determine whether to rebuild, repair or replace the portion so taken or to take such other action as they deem appropriate.

(C) Continuation of Condominium After Taking. In the event the Condominium Project continues after taking by eminent domain, then the remaining portion of the Condominium Project shall be resurveyed and the Master Deed amended accordingly, and, if any Unit shall have been taken, then Article V of the Master Deed shall also be amended to reflect such taking and to proportionately readjust the Percentages of Value of the Condominium to 100%. Such amendment may be effected by an officer of the Association duly authorized by the Board of Directors without the necessity of execution or specific approval thereof by a Co-owner.

(D) Notification of Mortgagees. In the event that any Unit in the Condominium, or any portion thereof, or the Common Elements or any portion thereof, is made the subject matter of any condemnation or

eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Association promptly shall so notify each institutional holder of a first mortgage lien on any of the Units in the Condominium.

(E) Applicability of the Act. To the extent not inconsistent with the foregoing provisions, Section 133 of the Act shall upon any taking by eminent domain.

Section 6. Notification of FHLMC and FNMA. In the event any mortgage in the condominium is held by the Federal Home Loan Mortgage Corporation ("FHLMC") or by the Federal National Mortgage Association ("FNMA") then, upon request therefore by FHLMC or FNMA, as the case may be, the Association shall give it written notice at such address as it may, from time to time, direct of any loss to or taking of the Common Elements of the Condominium if the loss or taking exceeds \$10,000 in amount or if the damage to a Condominium Unit covered by a mortgage purchased in whole or in part by FHLMC or FNMA exceeds \$1,000.

Section 7. Priority of Mortgagee Interests. Nothing contained in the Condominium Documents shall be construed to give a Co-owner or any other party priority over any rights of first mortgagees of Condominium Units pursuant to their mortgages in the case of a distribution to Co-owners of insurance proceeds or condemnation awards for losses to or taking of Condominium Units and/or Common Elements.

ARTICLE VI RESTRICTIONS

All of Units in the Condominium shall be held, used and enjoyed subject to the following limitations and restrictions:

Section 1. Use. The residential Units in the Condominium shall be used only for single-family residential and hotel purposes. The non-residential Unit may be used for any purpose relating to hotel management and operations. The Common Elements shall be used only for purposes consistent with such single-family residential and hotel purposes. Neither the Units nor the Common Elements shall be used in violation of applicable zoning and other ordinances of the Township or in violation of other pertinent laws and/or public regulations.

Section 2. Leasing and Rental.

(A) Right to Lease. A Co-owner may lease his Unit for the same purposes set forth in Section 1 of this Article VI and as otherwise provided for in these Bylaws. A Co-owner is not obligated to lease their Unit or to take part in any combined rental management program operated by the Association. No Co-owner shall lease less than an entire Unit. Units may be rented for any period of time, including daily rentals. The terms of all leases, occupancy agreements and occupancy arrangements shall incorporate, or be deemed to incorporate, all of the provisions of the Condominium Documents. The Developer may lease any number of Units in the Condominium in its discretion and without restriction.

(B) Leasing Procedure. A Co-owner, including the Developer, desiring to rent or lease a Unit shall disclose that fact in writing to the Association at least 10 days before presenting a lease form or otherwise agreeing to grant possession of a Unit to a potential lessee and at the same time, shall supply the Association with a copy of the exact lease form for its review for its compliance with the Condominium Documents. If no lease form is to be used, then the Co-owner or Developer shall supply the Association with the name and address of the potential lessee, along with the rental amount, the due dates and the term of the proposed agreement.

The leasing of Units in the Project shall also conform to the following provisions:

- (1) Tenants and non-owner occupants shall comply with all of the conditions of the

Condominium Documents and all leases and rental agreements shall so state.

(2) If the Association determines that the tenant or non-owner occupants have failed to comply with the conditions of the Condominium Documents, the Association shall take the following action:

(i) The Association shall notify the Co-owner by certified mail advising of the alleged violation by the tenant.

(ii) The Co-owner shall have 15 days after receipt of such notice to investigate and correct the alleged breach by the tenant or advise the Association that a violation has not occurred.

(iii) If after 15 days the Association believes that the alleged breach is not cured or may be repeated, it may institute on its behalf or derivatively by the Co-owners on behalf of the Association if it is under the control of the Developer, an action for eviction against the tenant or non-owner occupant and simultaneously for money damages in the same action against the Co-owner and tenant or non-owner occupant for breach of the conditions of the Condominium Documents. The relief provided for in this subparagraph may be by summary proceeding. The Association may hold both the tenant and the Co-owner liable for any damages to the Common Elements caused by the Co-owner or tenant in connection with the Unit or Condominium Project.

(3) When a Co-owner is in arrears to the Association for assessments, the Association may give written notice of the arrearage to a tenant occupying a Co-owner's Unit under a lease or rental agreement, and the tenant, after receiving the notice, shall deduct the arrearage from rental payments due and pay them to the Association. The deductions shall not constitute a breach of the rental agreement or lease by the tenant. If the tenant, after being notified, fails or refuses to remit rent otherwise due the Co-owner to the Association, then the Association may issue a statutory notice to quit for non-payment of rent to the tenant and shall have a right to enforce that notice by summary proceeding, and/or may initiate an action for money damages.

Section 3. Alterations and Modifications. No Co-owner shall make alterations, modifications or changes in their Unit or in any of the Common Elements without the express written approval of the Board of Directors, including, without limitation, the erection of docks, antennas, lights, aerials, awnings, shutters, newspaper holders, basketball backboards, mailboxes, flag poles or other exterior attachments or modifications. No attachment, appliance or other item may be installed which is designed to kill or repel insects or other animals by light or which emits humanly audible sound. No Co-owner shall in any way restrict access to any utility line, or any other element that must be accessible to service the Common Elements. No Co-owner shall in any way make any modification within their own Unit which impairs structural soundness, safety, utility, integrity or appearance of the Condominium.

Section 4. Activities. No improper, unlawful or offensive activity shall be carried on in any Unit or upon the Common Elements nor shall anything be done which may be or become an annoyance or a nuisance to the Co-owners of the Condominium. No unreasonably noisy activity shall occur in or on the Common Elements or in any Unit at any time, and disputes among Co-owners, arising as a result of this provision which cannot be amicably resolved, shall be arbitrated by the Association. No Co-owner shall do or permit anything to be done or keep or permit to be kept in his Unit or on the Common Elements anything that will increase the rate of insurance on the Condominium without the written approval of the Association, and each Co-owner shall pay to the Association the increased cost of insurance premiums resulting from any such activity or the maintenance of any such condition even if approved. Activities which are deemed offensive and are expressly prohibited include, but are not limited to, the following: Any activity involving the use of firearms, air rifles, pellet guns, B-B guns, bows and arrows, or other similar dangerous weapons, projectiles or devices.

Section 5. Pets. A Co-owner may maintain household pets, provided that the Co-owner abides by the following restrictions. No animal may be kept or bred for any commercial purpose, and every animal shall have such care and restraint so as not to be obnoxious or offensive on account of noise, odor or unsanitary conditions. No animal may be permitted to run loose at any time upon the Condominium Premises. All animals shall at all times be leashed and attended by some responsible person while on the Condominium Premises. No savage or dangerous animal shall be kept, and any Co-owner who causes any animal to be brought or kept upon the Condominium Premises shall indemnify and hold harmless the Association for any loss, damage or liability which the Association may sustain as the result of the presence of such animal on the premises, whether or not the Association has given its permission therefore. Each Co-owner shall be responsible for collection and disposition of all fecal matter deposited by any pet maintained by such Co-owner. No dog which barks and can be heard on any frequent or continuing basis shall be kept in any Unit or on the Common Elements. The Association may charge all Co-owners maintaining animals a reasonable additional assessment to be collected in the manner provided in Article II of these Bylaws in the event that the Association determines such assessment necessary to defray the maintenance cost to the Association of accommodating animals within the Condominium. The Association may, without liability to the owner thereof, remove or cause to be removed any animal from the Condominium which it determines to be in violation of the restrictions imposed by this Section. The Association shall have the right to require that any pets be registered with it and may adopt such additional reasonable rules and regulations with respect to animals as it may deem proper. In the event of any violation of this Section, the Association may assess fines for such violation in accordance with these Bylaws and in accordance with duly adopted rules and regulations.

Section 6. Aesthetics. The Units and the Common Elements shall not be used for storage of supplies, materials, personal property or trash or refuse of any kind, except as provided in duly adopted rules and regulations of the Association. No unsightly condition shall be maintained on any patio, porch or deck, and only furniture and equipment consistent with the normal and reasonable use of such areas shall be permitted to remain there during seasons when such areas are reasonably in use, and no furniture or equipment of any kind shall be stored thereon during seasons when such areas are not reasonably in use. Trash receptacles shall be maintained in areas designated therefor at all times and shall not be permitted to remain elsewhere on a Unit or the Common Elements except for such short periods of time as may be reasonably necessary to permit periodic collection of trash. The open areas within Units and Common Elements shall not be used in any way for the drying, shaking or airing of clothing or other fabrics. In general, no activity shall be carried on nor condition maintained by a Co-owner, either in his Unit or upon the Common Elements, which is detrimental to the appearance of the Condominium.

Section 7. Vehicles. No house trailers, commercial vehicles, boat trailers, boats, camping vehicles, camping trailers, motorcycles, all terrain vehicles, snowmobiles, snowmobile trailers or vehicles, other than automobiles or vehicles used primarily for general personal transportation purposes, may be parked or stored upon the premises of the Condominium, unless parked in areas designated by the Developer or the Association as over-night or special-purpose parking areas. No inoperable vehicles of any type may be brought or stored upon the Condominium Premises either temporarily or permanently. Commercial vehicles and trucks shall not be parked in or about the Condominium (except as above provided) unless while making deliveries or pickups in the normal course of business.

In the event that a shortage of parking spaces arises, the Association may allocate or assign parking spaces from time to time on an equitable basis.

Section 8. Advertising. No signs or other advertising devices of any kind shall be displayed which are visible from the exterior of a Unit or on the Common Elements, including "For Sale" signs, during the Development and Sales Period, and, subsequent thereto, only with prior written permission from the Association and the Developer.

Section 9. Rules and Regulations. It is intended that the Association may make rules and regulations from time to time to reflect the needs and desires of the majority of the Co-owners in the Condominium. Reasonable regulations consistent with the Act, the Master Deed and these Bylaws concerning the use of the Common Elements may be made and amended from time to time by the Association, including the period of time prior to the Transitional Control Date. Copies of all such rules, regulations and amendments thereto shall be furnished to all Co-owners.

Section 10. Right of Access of Association. The Association or its duly authorized agents shall have access to each Unit and any Limited Common Elements appurtenant thereto from time to time, during reasonable working hours, upon notice to the Co-owner thereof, as may be necessary for the maintenance, repair or replacement of any of the Common Elements. The Association or its agents shall also have access to each Unit and any Limited Common Elements appurtenant thereto at all times without notice as may be necessary to make emergency repairs to prevent damage to the Common Elements or to another Unit. It shall be the responsibility of each Co-owner to provide the Association means of access to his Unit and any Limited Common Elements appurtenant thereto during all periods of absence, and in the event of the failure of such Co-owner to provide means of access, the Association may gain access in such manner as may be reasonable under the circumstances and shall not be liable to such Co-owner for any necessary damage to his Unit and any Limited Common Elements appurtenant thereto caused thereby or for repair or replacement of any doors or windows damaged in gaining such access.

Section 11. Landscaping. No Co-owner shall perform any landscaping or plant any trees, shrubs or flowers or place any ornamental materials upon the Common Elements without the prior written approval of the Board of Directors.

Section 12. Common Element Maintenance. Sidewalks, yards, landscaped areas and roads shall not be obstructed nor shall they be used for purposes other than that for which they are reasonably and obviously intended. No obstructions may be left unattended on or about the Common Elements.

Section 13. Co-owner Maintenance. Each Co-owner shall maintain his Unit in a safe, clean, sanitary and aesthetically satisfactory condition and in accordance with any duly adopted regulations of the Association. Each Co-owner shall also use due care to avoid damaging any of the Common Elements including, but not limited to, the telephone, water, gas, plumbing, electrical or other utility conduits and systems and any other Common Elements which may affect any other Unit. Each Co-owner shall be responsible for damages or costs to the Association resulting from negligent damage to or misuse of any of the Common Elements by him, or his family, guests, agents or invitees, unless such damages or costs are covered by insurance carried by the Association (in which case there shall be no such responsibility unless reimbursement to the Association is limited by virtue of a deductible provision, in which case the responsible Co-owner shall bear the expense to the extent of the deductible amount). Any costs or damages to the Association may be assessed to and collected from the responsible Co-owner in the manner provided in Article II hereof.

Section 14. Decoration of Units. Each Co-owner shall control the furnishings, personal property and decor within the interior of their Unit, subject only to the approval of the manager of the rental program (if the Unit is in the rental program). The approval of the manager of the rental program will not be unreasonably withheld, but the manager may prohibit a furnishing, item of personal property or décor that the manager feels would be detrimental to the success of the rental management program. The manager of the rental program and/or the Board of Directors may require that an inventory be kept of the items of personal property within each Unit.

**ARTICLE VII
MORTGAGES**

Section 1. Notice to Association. Any Co-owner who mortgages his Unit shall notify the Association of the name and address of the mortgagee, and the Association shall maintain such information in a book entitled "Mortgages of Units." The Association may, at the written request of a mortgagee of any such Unit, report any unpaid assessments due from the Co-owner of such Unit. The Association shall give the holder of any first mortgage covering any Unit in the Project written notification of any default in the performance of the obligations of the Co-owner of such Unit that is not cured within 60 days.

Section 2. Insurance. The Association shall notify each mortgagee appearing in said book of the name of each company insuring the General Common Elements against fire, perils covered by extended coverage, vandalism and malicious mischief and the amounts of such coverage.

Section 3. Notification of Meetings. Upon request submitted to the Association, any institutional holder of a first mortgage lien on any Unit in the Condominium shall be entitled to receive written notification of every meeting of the members of the Association and to designate a representative to attend such meeting.

Section 4. Attendance at Meetings. Mortgagees are not required to appear at any meeting of Co-owners except that their approval shall be solicited through written ballots. Any mortgagee ballots not returned within 90 days of mailing shall be counted as approval for the change.

**ARTICLE VIII
VOTING**

Section 1. Vote. Except as limited in these Bylaws, each Co-owner shall be entitled to one vote for each Condominium Unit owned.

Section 2. Eligibility to Vote. No Co-owner, other than the Developer, shall be entitled to vote at any meeting of the Association until he has presented evidence of ownership of a Unit to the Association. Except as provided in Article XI, Section 2 of these Bylaws, no Co-owner, other than the Developer, shall be entitled to vote prior to the date of the First Annual Meeting of members held in accordance with Section 2 of Article IX. The vote of each Co-owner may be cast only by the individual representative designated by such Co-owner in the notice required in Section 3 of this Article VIII below or by a proxy given by such individual representative. The Developer shall be the only person entitled to vote at a meeting of the Association until the First Annual Meeting of members. The Developer shall be entitled to one vote for each Unit it owns.

Section 3. Designation of Voting Representative. Each Co-owner shall file a written notice with the Association designating the individual representative who shall vote at meetings of the Association and receive all notices and other communication from the Association on behalf of such Co-owner. Such notice shall state the name and address of the individual representative designated, the number(s) of the Condominium Unit(s) owned by the Co-owner, and the name and address of each person, firm corporation, partnership, association, trust or other entity who is the Co-owner. Such notice shall be signed and dated by the Co-owner. The individual representative designated may be changed by the Co-owner at any time by filing a new notice in the manner herein provided.

Section 4. Quorum. The presence in person or by proxy of 33% of the total value of the project shall constitute a quorum for holding a meeting of the members of the Association, except for voting on questions specifically required by the Condominium Documents to require a greater quorum. The written vote of any person furnished at or prior to any duly called meeting at which meeting said person is not otherwise present in person or by proxy shall be counted in determining the presence of a quorum with respect to the question upon which the vote is cast.

Section 5. Voting. Votes may be cast only in person or by a writing duly signed by the designated voting representative not present at a given meeting in person or by proxy. Proxies and any written votes must be filed with the Secretary of the Association at or before the appointed time of the meeting of the Association. Cumulative voting shall not be permitted.

Section 6. Majority. A majority, except where otherwise provided herein, shall consist of more than 50% of the votes cast of those Co-owners present in person or by proxy (or written vote, if applicable) at a given meeting of the members of the Association. Whenever provided specifically herein, a majority may be required to exceed the simple majority herein set forth of designated voting representatives present in person or by proxy, or by written vote, if applicable, at a given meeting of the members of the Association.

ARTICLE IX MEETINGS

Section 1. Place of Meeting. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the Co-owners as may be designated by the Board of Directors. Meetings of the Association shall be conducted in accordance with Roberts Rules of Order or some other generally recognized manual of parliamentary procedure, when not otherwise in conflict with the Condominium Documents or the laws of the State of Michigan. For the purposes of this Article the percentages required shall be based upon the number of Units that may be created (36).

Section 2. First Annual Meeting. The First Annual Meeting of members of the Association may be convened only by Developer and may be called at any time after more than 50% of the Units (based upon Percentage of Value) in the Project have been sold and the purchasers thereof qualified as members of the Association. In no event, however, shall such meeting be called later than 120 days after the conveyance of legal or equitable title to non-Developer Co-owners of two-thirds (based upon Percentage of Value) of all Units or 54 months after the first conveyance of legal or equitable title to a non-Developer Co-owner of a Unit in the Project, whichever first occurs. Developer may call meetings of members for informative or other appropriate purposes prior to the First Annual Meeting of members and no such meeting shall be construed as the First Annual Meeting of members. The date, time and place of such meeting shall be set by the Board of Directors, and at least 10 days written notice thereof shall be given to each Co-owner.

Section 3. Annual Meeting. Annual meetings of members of the Association shall be held on a date determined by the Board of Directors each succeeding year after the year in which the First Annual Meeting is held, at such time and place as shall be determined by the Board of Directors; provided, however, that the second annual meeting shall not be held sooner than eight months after the date of the First Annual Meeting. At such meetings there shall be elected by ballot of the Co-owners a Board of Directors in accordance with the requirements of Article XI of these Bylaws. The Co-owners may also transact at annual meetings such other business of the Association as may properly come before them.

Section 4. Special Meeting. It shall be the duty of the President to call a special meeting of the Co-owners as directed by resolution of the Board of Directors or upon a petition signed by 1/4 of the Co-owners (based upon Percentage of Value) presented to the Secretary of the Association. Notice of any special meeting shall state the time and place of such meeting and the purposes thereof. No business shall be transacted at a special meeting except as stated in the notice.

Section 5. Notice of Meetings. It shall be the duty of the Secretary (or other Association officer in the Secretary's absence) to serve a notice of each annual or special meeting, stating the purpose thereof as well as the time and place where it is to be held, upon each Co-owner of record, at least 10 days but not more than 60 days prior to such meeting. The mailing, postage prepaid, of a notice to the representative of each Co-owner at the address shown in the notice required to be filed with the Association by Article VIII, Section 3 of these Bylaws shall be deemed notice served. Any member may, by written waiver of notice signed by such member, waive such notice, and such waiver, when filed in the records of the Association, shall be deemed due notice.

Section 6. Adjournment. If any meeting of Co-owners cannot be held because a quorum is not in attendance, the Co-owners who are present may adjourn the meeting to a time not less than 48 hours from the time the original meeting was called.

Section 7. Order of Business. The order of business at all meetings of the members shall be as follows: (a) roll call to determine the voting power represented at the meeting; (b) proof of notice of meeting or waiver of notice; (c) reading of minutes of preceding meeting; (d) reports of officers; (e) reports of committees; (f) appointment of inspectors of election (at annual meeting or special meeting held for such purpose); (g) election of Directors; (h) unfinished business; and (i) new business. Meetings of members shall be chaired by the most senior officer of the Association present at such meeting. For purposes of this Section, the order of seniority of officers shall be President, Vice President, Secretary and Treasurer.

Section 8. Action Without Meeting. Any action which may be taken at a meeting of the members (except for the election or removal of Directors) may be taken without a meeting by written ballot of the members. Ballots shall be solicited in the same manner as provided in Section 5 for the giving of notice of meetings of members. Such solicitations shall specify (a) the number of responses needed to meet the quorum requirements; (b) the percentage of approvals necessary to approve the action; and (c) the time by which ballots must be received in order to be counted. The form of written ballot shall afford an opportunity to specify a choice between approval and disapproval of each matter and shall provide that, where the member specified a choice, the vote shall be constituted by receipt, within the time period specified in the solicitation of (i) a number of ballots which equals or exceeds the quorum which would be required if the action were taken at a meeting; and (ii) a number of approvals which equals or exceeds the number of votes which would be required for approval if the action were taken at a meeting at which the total number of votes cast was the same as the total number of ballots cast.

Section 9. Consent of Absentees. The transaction of any Association business at any meeting of members, either annual or special, however called and noticed, shall be as valid as though made at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy; and if, either before or after the meeting, each of the members not present in person or by proxy, signs a written waiver of notice, or a consent to the holding of such waivers, consents or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 10. Minutes; Presumption of Notice. Minutes or a similar record of the proceedings of meetings of members, when signed by the President or Secretary, shall be presumed truthfully to evidence the matters set forth therein. A recitation in the minutes of any such meeting that notice of the meeting was properly given shall be prima facie evidence that such notice was given.

ARTICLE X ADVISORY COMMITTEE

Within one year after conveyance of legal or equitable title to the first Unit in the Condominium to a purchaser or within 120 days after conveyance to purchasers of 1/3 of the total number of Units that may be created (based upon Percentage of Value), whichever first occurs, the Developer shall cause to be established an Advisory Committee consisting of at least three non-Developer Co-owners. The Committee shall be established and perpetuated in any manner the Developer deems advisable, except that if more than 50% of the non-Developer Co-owners (based upon Percentage of Value) petition the Board of Directors for an election to select the Advisory Committee, then an election for such purpose shall be held. The purpose of the Advisory Committee shall be to facilitate communications between the Board of Directors and the other Co-owners and to aid in the transition of control of the Association from the Developer to the Co-owners. The Advisory Committee shall cease to exist when the non-Developer Co-owners have the voting strength to elect a majority of the Board of Directors of the Association. The Developer may remove and replace at its discretion at any time any member of the Advisory Committee who has not been elected thereto by the Co-owners.

ARTICLE XI
BOARD OF DIRECTORS

Section 1. Number and Qualification of Directors. The Board of Directors shall be comprised of three members all of whom must be members of the Association or officers, partners, trustees, employees or agents of members of the Association, except for the first Board of Directors. Directors shall serve without compensation.

Section 2. Election of Directors.

(A) First Board of Directors. The first Board of Directors, or its successors as selected by the Developer, shall manage the affairs of the Association until the appointment of the first non-Developer Co-owners to the Board. Elections for non-Developer Co-owners Directors shall be held as provided in subsections (B) and (C) below. For the purposes of this Article the percentages required shall be based upon the number of Units that may be created.

(B) Appointment of Non-Developer Co-owners to Board Prior to First Annual Meeting. Not later than 120 days after conveyance of legal or equitable title to non-Developer Co-owners of 25% of the Units that may be created (based on Percentage of Value), at least one of the three Directors shall be selected by non-Developer Co-owners. When the required percentage of conveyances has been reached, the Developer shall notify the non-Developer Co-owners and request that they hold a meeting and elect the required Directors. Upon certification by the Co-owners to the Developer of the Directors(s) so elected, the Developer shall then immediately appoint such Director(s) to the Board to serve until the First Annual Meeting of members unless he is removed pursuant to Section 7 of this Article or he resigns or becomes incapacitated.

(C) Election of Directors at and After First Annual Meeting.

(1) Not later than 120 days after conveyance of legal or equitable title to non-Developer Co-owners of 75% of the Units that may be created (based upon Percentage of Value), and before conveyance of 90% of such Units, the non-Developer Co-owners shall elect all Directors on the Board, except that the Developer shall have the right to designate at least one Director as long as the Developer owns and offers for sale at least 10% of the Units in the Project or as long as 10% of the Units remain that may be created. Whenever the 75% conveyance level is achieved, a meeting of Co-owners shall be promptly convened to effectuate this provision, even if the First Annual Meeting has already occurred.

(2) Regardless of the percentage of Units which have been conveyed, upon the expiration of 54 months after the first conveyance of legal or equitable title to a non-Developer Co-owner of a Unit in the project, the non-Developer Co-owners have the right to elect a number of members of the Board of Directors equal to the percentage of Units they own (based upon Percentage of Value) and the Developer has the right to elect a number of members of the Board of Directors equal to the percentage of Units which are owned by the Developer (based upon Percentage of Value) and for which maintenance expenses are payable by the Developer. This election may increase, but shall not reduce, the minimum election and designation rights otherwise established in subsection (1). Application of this subsection does not require a change in the size of the Board of Directors.

(3) At the First Annual Meeting two Directors shall be elected for a term of two years and one Director shall be elected for a term of one year. If the Developer is retaining two directorships, one shall have a two year term, and one shall have a one year term. If the Developer is retaining only one directorship, it shall be a two year term. At such meeting all nominees shall stand for election as a group, and each Unit shall have the right to vote for up to

the number of directorships up for election. Voting rights are not cumulative, meaning a Co-owner may not place all of his votes for one nominee. The two persons receiving the highest number of votes shall be elected for a term of two years and the person receiving the next highest number of votes shall be elected for a term of one year. At each annual meeting held thereafter, Directors shall be elected depending upon the number of Directors whose terms expire after the First Annual Meeting, the term of office (except for one of the Directors elected at the First Annual Meeting) of each Director shall be two years. The Directors shall hold office until their successors have been elected and hold their first meeting.

(4) If the calculation of the percentage of members of the Board of Directors that the non-developer Co-owners have the right to elect under subsections (B) and (C)(1), or if the product of the number of members of the Board of Directors multiplied by the percentage of Units held by the non-developer Co-owners under subparagraph (C)(2) results in a right of non-developer Co-owners to elect a fractional number of members of the Board of Directors, then a fractional election right of 0.5 or greater shall be rounded up to the nearest whole number, which number shall be the number of members of the Board of Directors that the non-developer Co-owners have the right to elect. After application of this formula the Developer shall have the right to elect the remaining members of the board of directors. Application of this subparagraph shall not eliminate the right of the Developer to designate one director as provided in subparagraph (1).

(5) Once the Co-owners have acquired the right to elect a majority of the Board of Directors, annual meetings of Co-owners to elect Directors and conduct other business shall be held in accordance with the provisions of Article IX Section 3 hereof.

Section 3. Powers and Duties. The Board of Directors shall have the powers and duties necessary for the administration of the affairs of the Association and may do all acts and things as are not prohibited by the Condominium Documents.

Section 4. Other Duties. In addition to the foregoing duties imposed by these Bylaws or any further duties which may be imposed by resolution of the members of the Association, the Board of Directors shall be responsible specifically for the following:

(A) To manage and administer the affairs of and to maintain the Condominium Project and the Common Elements thereof.

(B) To levy and collect assessments from the members of the Association and to use the proceeds thereof for the purposes of the Association.

(C) To carry insurance and collect and allocate the proceeds thereof.

(D) To rebuild Common Elements after casualty.

(E) To contract for and employ persons, firms, corporations or other agents to assist in the management, operation, maintenance and administration of the Condominium Project.

(F) To acquire, maintain and improve; and to buy, operate, manage, sell, convey, assign, mortgage or lease any real or personal property (including any Unit in the Condominium and easements, rights-of-way and licenses) on behalf of the Association in furtherance of any of the purposes of the Association.

(G) To borrow money and issue evidences of indebtedness in furtherance of any or all of the purposes of the Association, and to secure the same by mortgage, pledge, or other lien on property owned by the Association; provided, however, that any such action must be approved by affirmative vote of all of the members of the Association.

(H) To make rules and regulations in accordance with Article VI, Section 10 of these Bylaws.

(I) To establish such committees as it deems necessary, convenient or desirable and to appoint persons thereto for the purpose of implementing the administration of the Condominium and to delegate to such committees any functions or responsibilities which are not by law or the Condominium Documents required to be performed by the Board.

(J) To enforce the provisions of the Condominium Documents.

Section 5. Management Agent. The Board of Director may employ for the Association a professional management agent (which may include the Developer or any person or entity related thereto) at reasonable compensation established by the Board to perform such duties and services as the Board shall authorize, including, but not limited to, the duties listed in Sections 3 and 4 of this Article, and the Board may delegate to such management agent any other duties or powers which are not by law or by the Condominium Documents required to be performed by or have the approval of the Board of Directors or the members of the Association. In no event shall the Board be authorized to enter into any contract with a professional management agent, or any other contract providing for services by the Developer, sponsor or builder, in which the maximum term is greater than 3 years or which is not terminable by the Association upon 90 days written notice thereof to the other party and no such contract shall violate the provisions of Section 55 of the Act.

Section 6. Vacancies. Vacancies in the Board of Directors which occur after the Transitional Control Date caused by any reason other than the removal of a Director by vote of the members of the Association shall be filled by vote of the majority of the remaining Directors, even though they may constitute less than a quorum, except that the Developer shall be solely entitled to fill the vacancy of any Director whom it is permitted in the first instance to designate. Each person so elected shall be a Director until a successor is elected at the next annual meeting of the members of the Association. Vacancies among non-Developer Co-owners elected Directors which occur prior to the Transitional Control Date may be filled only through election by non-Developer Co-owners and shall be filled in the manner specified in Section 2(B) of this Article.

Section 7. Removal. At any regular or special meeting of the Association duly called with due notice of the removal action proposed to be taken, any one or more of the Directors may be removed with or without cause by the affirmative vote of more than 50% of all of the Co-owners (based upon Percentage of Value) and a successor may then and there be elected to fill any vacancy thus created. The quorum requirement for the purpose of filling such vacancy shall be the normal 40% requirement set forth in Article VIII, Section 4. Any Director whose removal has been proposed by the Co-owners shall be given an opportunity to be heard at the meeting. The Developer may remove and replace any or all of the Directors selected by it at any time or from time to time in its sole discretion. Likewise, any Director selected by the non-Developer Co-owners to serve before the First Annual Meeting may be removed before the First Annual Meeting in the same manner set forth in this paragraph for removal of Directors generally.

Section 8. First Meeting. The first meeting of a newly elected Board of Directors shall be held within ten days of election at such place as shall be fixed by the Directors at the meeting at which such Directors were elected, and no notice shall be necessary to the newly elected Directors in order to legally constitute such meeting, providing a majority of the whole Board shall be present.

Section 9. Regular Meetings. Regular meetings of the Board of Directors may be held at such times and places as shall be determined from time to time by a majority of the Directors, but at least two such meetings shall be held during each fiscal year. Notice of regular meetings of the Board of Directors shall be given to each Director personally, by mail, telephone or telegraph, at least 10 days prior to the date named for such meeting.

Section 10. Special Meetings. Special meetings of the Board of Directors may be called by the President on three days notice to each Director given personally, by mail, telephone or telegraph, which notice shall state the time, place and purpose of the meeting. Special meetings of the Board of Directors shall be called by the President or Secretary in like manner and on like notice on the written request of two Directors.

Section 11. Waiver of Notice. Before or at any meeting of the Board of Directors, any Director may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a Director at any meetings of the Board shall be deemed a waiver of notice by him of the time and place thereof. If all the Directors are present at any meeting of the Board, no notice shall be required and any business may be transacted at such meeting.

Section 12. Quorum. At all meetings of the Board of Directors, a majority of the Directors shall constitute a quorum for the transaction of business, and the acts of the majority of the Directors present at a meeting at which a quorum present, the majority of those present may adjourn the meeting to a subsequent time upon 24 hours prior written notice delivered to all Directors not present. At any such adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted without further notice. The joinder of a Director in the action of a meeting by signing and concurring with the minutes thereof, shall constitute the presence of such Director for purposes of determining a quorum.

Section 13. First Board of Directors. The actions of the first Board of Directors of the Association or any successors thereto selected or elected before the Transitional Control Date shall be binding upon the Association so long as such actions are within the scope of the powers and duties which may be exercised generally by the Board of Directors as provided herein.

Section 14. Fidelity Bonds. The Board of Directors shall require that all officers and employees of the Association handling or responsible for Association funds shall furnish adequate fidelity bonds. The premium on such bonds shall be expenses of administration.

ARTICLE XII OFFICERS

Section 1. Officers. The principal officers of the Association shall be a President, who shall be a member of the Board of Directors, a Vice President, a Secretary, and a Treasurer. The Directors may appoint an Assistant Treasurer, and an Assistant Secretary, and such other officers as in their judgment may be necessary. Any two offices except that of President and Vice President may be held by one person.

(A) President. The President shall be the chief executive officer of the Association. He shall

preside at all meetings of the Association and of the Board of Directors. He shall have all of the general powers and duties which are usually vested in the office of the president of an association, including, but not limited to, the power to appoint committees from among the members of the Association from time to time as he may, in his discretion, deem appropriate to assist in the conduct of the affairs of the Association.

(B) Vice President. The Vice President shall take the place of the President and perform his duties whenever the President shall be absent or unable to act. If neither President nor the Vice President is able to act, the Board of Directors shall appoint some other member of the Board to so do on an interim basis. The Vice President shall also perform such other duties as shall from time to time be imposed upon him by the Board of Directors.

(C) Secretary. The Secretary shall keep the minutes of all meetings of the Board of Directors and the minutes of all meetings of the members of the Association; he shall have charge of the corporate seal, if any, and of such books and papers as the Board of Directors may direct; and he shall, in general, perform all duties incident to the office of the Secretary.

(D) Treasurer. The Treasurer shall have responsibility for the Association's funds and securities and shall be responsible for keeping full and accurate accounts of all receipts and disbursements in books belonging to the Association. He shall be responsible for the deposit of all monies and other valuable effects in the name and to the credit of the Association, and in such depositories as may, from time to time, be designated by the Board of Directors.

Section 2. Election. The officers of the Association shall be elected annually by the Board of Directors at the organizational meeting of each new Board and shall hold office at the pleasure of the Board.

Section 3. Removal. Upon affirmative vote of a majority of the members of the Board of Directors, any officer may be removed either with or without cause, and his successor elected at any regular meeting of the Board of Directors, or at any special meeting of the Board called for such purposes. No such removal action may be taken, however, unless the matter shall have been included in the notice of such meeting. The officer who is proposed to be removed shall be given an opportunity to be heard at the meeting.

Section 4. Duties. The officers shall have such other duties, powers and responsibilities as shall, from time to time, be authorized by the Board of Directors.

ARTICLE XIII FINANCE

Section 1. Records. The Association shall keep detailed books of account showing all expenditures and receipts of the Expenses of Administration incurred by or on behalf of the Association. Such accounts and all other Association records shall be open for inspection by the Co-owners and their mortgagees during reasonable working hours. The Association shall prepare and distribute to each Co-owner at least once a year a financial statement, the contents of which shall be defined by the Association. The books of account shall be audited at least annually by qualified independent auditors; provided, however, that such auditors need not be certified public accountants nor does such audit need to be a certified audit. Any institutional holder of a first mortgage lien on any Unit in the Condominium shall be entitled to receive a copy of such annual audited financial statement within 90 days following the end of the Association's fiscal year upon request therefore. The costs of any such audit and any accounting expenses shall be expenses of administration.

Section 2. Fiscal Year. The fiscal year of the Association shall be an annual period commencing on such date as may be initially determined by the Directors. The fiscal year shall be subject to change by the Directors for accounting reasons or other good cause.

Section 3. Bank. Funds of the Association shall be initially deposited in such bank or savings association as may be designated by the Directors and shall be withdrawn only upon the check or order of such officers, employees or agents as are designated by resolution of the Board of Directors from time to time. The funds may be invested from time to time in accounts or deposit certificates of such bank or savings association as are insured by the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation and may also be invested in interest-bearing obligations of the United States Government.

**ARTICLE XIV
INDEMNIFICATION OF OFFICERS AND DIRECTORS**

Every Director and Officer of the Association shall be indemnified by the Association against all expenses and liabilities, including counsel fees, reasonably incurred by or imposed upon him in connection with any proceeding to which he may be a party or in which he may become involved by reason of his being or having been a Director or officer of the Association, whether or not he is a Director or officer at the time such expenses are incurred, except in such cases wherein the Director or officer is adjudged guilty of willful or wanton misconduct or gross negligence in the performance of his duties; provided that, in the event of any claim for reimbursement or indemnification hereunder based upon a settlement by the Director or officer seeking such reimbursement or indemnification, the indemnification herein shall apply only if the Board of Directors (with the Director seeking reimbursement abstaining) approves such settlement and reimbursement as being in the best interest of the Association. The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such Director or officer may be entitled. At least 10 days prior to payment of any indemnification which it has approved, the Board of Directors shall notify all Co-owners thereof. The Board of Directors is authorized to carry officers' and directors' liability insurance covering acts of the officers and Directors of the Association in such amounts as it shall deem appropriate.

**ARTICLE XV
AMENDMENTS**

Section 1. Proposal. Amendments to these Bylaws may be proposed by the Board of Directors of the Association acting upon the vote of the majority of the Directors or may be proposed by 1/3 or more of the Co-owners by instrument in writing signed by them.

Section 2. Meeting. Upon any such amendment being proposed, a meeting for consideration of the same shall be duly called in accordance with the provisions of these Bylaws.

Section 3. Voting. These Bylaws may be amended by the Co-owners at any regular annual meeting or a special meeting called for such purpose by an affirmative vote of not less than 66-2/3% of all Co-owners. No consent of mortgagees shall be required to amend these Bylaws unless such amendment would materially alter or change the rights of such mortgagees, in which event the approval of 66-2/3% of the mortgagees shall be required, with each mortgagee to have one vote for each first mortgage held.

Section 4. By Developer. Prior to the Transitional Control Date, these Bylaws may be amended by the Developer without approval from any other person so long as any such amendment does not materially alter or change the right of a Co-owner or mortgagee.

Section 5. When Effective. Any amendment to these Bylaws shall become effective upon recording of such amendment in the office of the Charlevoix County Register of Deeds.

Section 6. Binding. A copy of each amendment to the Bylaws shall be furnished to every member of the Association after adoption; provided, however, that any amendment to these Bylaws that is adopted in accordance with this Article shall be binding upon all persons who have an interest in the project irrespective of whether such persons actually receive a copy of the amendment.

ARTICLE XVI COMPLIANCE

The Association and all present or future Co-owners, tenants, future tenants, or any other persons acquiring an interest in or using the Project in any manner are subject to and shall comply with the Act, as amended, and the mere acquisition, occupancy or rental of an Unit or an interest therein or the utilization of or entry upon the Condominium Premises shall signify that the Condominium Documents are accepted and ratified. In the event the Condominium Documents conflict with the provisions of the Act, the Act shall govern.

ARTICLE XVII REMEDIES FOR DEFAULT

Any default by a Co-owner shall entitle the Association or another Co-owner or Co-owners to the following relief:

Section 1. Legal Action. Failure to comply with any of the terms or provisions of the Condominium Documents shall be grounds for relief, which may include, without intending to limit the same, an action to recover sums due for damages, injunctive relief, foreclosure of lien (if default in payment of assessment) or any combination thereof, and such relief may be sought by the Association or, if appropriate, by an aggrieved Co-owner or Co-owners.

Section 2. Recovery of Costs. In any proceeding arising because of an alleged default by an Co-owner, the Association, if successful, shall be entitled to recover the costs of the proceeding and such reasonable attorney's fees (not limited to statutory fees) as may be determined by the court, but in no event shall any Co-owner be entitled to recover such attorney's fees.

Section 3. Removal and Abatement. The violation of any of the provisions of the Condominium Documents shall also give the Association or its duly authorized agents the right, in addition to the rights set forth above, to enter upon the Common Elements or into any Unit, where reasonably necessary, and summarily remove and abate, at the expense of the Co-owner in violation, any structure, thing or condition existing or maintained contrary to the provisions of the Condominium Documents. The Association shall have no liability to any Co-owner arising out of the exercise of its removal and abatement power authorized herein.

Section 4. Assessment of Fines. The violation of any of the provisions of the Condominium Documents by any Co-owner shall be grounds for assessment by the Association, acting through its duly constituted Board of Directors, of monetary fines for such violations in accordance with Article XVIII of these Bylaws.

Section 5. Non-waiver of Right. The failure of the Association or of any Co-owner to enforce any right, provision, covenant or condition which may be granted by the Condominium Documents shall not constitute a waiver of the right of the Association or of any such Co-owner to enforce such right,

provision, covenant or condition in the future.

Section 6. Cumulative Rights, Remedies and Privileges. All rights, remedies and privileges granted to the Association or any Co-owner or Co-owners pursuant to any terms, provisions, covenants or conditions of the aforesaid Condominium Documents shall be deemed to be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party exercising the same from exercising such other and additional rights, remedies or privileges as may be available at law or in equity.

Section 7. Enforcement of Provisions of Condominium Documents. A Co-owner may maintain an action against the Association and its officers and Directors to compel such persons to enforce the terms and provisions of the Condominium Documents. A Co-owner may maintain an action against any other Co-owner for injunctive relief or for damages or any combination thereof for noncompliance with the provisions of the Condominium Documents or the Act.

**ARTICLE XVIII
ASSESSMENT OF FINES**

Section 1. General. The violation by any Co-owner, occupant or guest of any of the provisions of the Condominium Documents including any duly adopted rules and regulations shall be grounds for assessment by the Association, acting through its duly constituted Board of Directors, of monetary fines against the involved Co-owner. Such Co-owner shall be deemed responsible for such violations whether they occur as a result of his personal actions or the actions of his family, guests, tenants or any other person admitted through such Co-owner to the Condominium Premises.

Section 2. Procedures. Upon any such violation being alleged by the Board, the following procedures will be followed:

(A) Notice. Notice of the violation, including the Condominium Document provision violated, together with a description of the factual nature of the alleged offense set forth with such reasonable specificity as will place the Co-owner on notice as to the violation, shall be sent by first class mail, postage prepaid, or personally delivered to the representative of said Co-owner at the address shown in the notice required to be filed with the Association pursuant to Article VIII, Section 3 of these Bylaws.

(B) Opportunity to Defend. The offending Co-owner shall have an opportunity to appear before the Board and offer evidence in defense of the alleged violation. The appearance before the Board shall be at its next scheduled meeting, but in no event shall the Co-owner be required to appear less than 10 days from the date of the notice.

(C) Default. Failure to respond to the notice of violation constitutes a default.

(D) Hearing and Decision. Upon appearance by the Co-owner before the Board and presentation of evidence of defense, or, in the event of the Co-owner's default, the Board shall, by majority vote of a quorum of the Board, decide whether a violation has occurred. The Board's decision is final.

Section 3. Amounts. Upon violation of any of the provisions of the Condominium Documents and after default of the offending Co-owner or upon the decision of the Board as recited above, the following fines, plus any repair or out-of-pocket expenses or fees incurred, may be levied:

(A) First Violation. Up to \$100.00.

(B) Second Violation. Up to \$200.00 fine.

(C) Third and Subsequent Violations. Up to \$400.00 fine.

Section 4. Continuing Violations. In the event that a violation continues beyond 10 days from the date of the offending Co-owner's hearing at which the Board determines that a violation has occurred, the continuing violation will be treated as a separate and subsequent violation and the new and increased fines may be levied on each occasion of any subsequent violation determination without the necessity of a further hearing or hearings thereon.

Section 5. Collection. The fines levied pursuant to Section 3 above shall be assessed against the Co-owner and shall be due and payable either by separate invoice or together with the next periodic assessment. Failure to pay the fine will subject the Co-owner to all liabilities set forth in the Condominium Documents, including, without limitation, those described in Article II and Article XVII of these Bylaws.

Failure or delay on the part of the Association in the assessment of any fine does not waive any right the Association has hereunder. Failure to impose a monetary fine for a violation does not limit the Association's right to impose a subsequent, higher fine.

**ARTICLE XIX
RIGHTS RESERVED TO DEVELOPER**

Any or all of the rights and powers granted or reserved to the Developer in the Condominium Documents or by law, including the right and power to approve or disapprove any act, use, or proposed action or any other matter or thing, may be assigned by it to any other entity or to the Association. Any such assignment or transfer shall be made by appropriate instrument in writing in which the assignee or transferee shall join for the purpose of evidencing its acceptance of such powers and rights and such assignee or transferee shall thereupon have the same rights and powers as herein given and reserved to the Developer. Any rights and powers reserved or granted to the Developer or its successors shall terminate, if not sooner assigned to the Association, at the conclusion of the Development and Sales Period as defined in Article III of the Master Deed. The immediately preceding sentence dealing with the termination of certain rights and powers granted or reserved to the Developer is intended to apply, insofar as the Developer is concerned, only to the Developer's rights to approve and control the administration of the Condominium and shall not, under any circumstances, be construed to apply to or cause the termination of any real property rights granted or reserved to the Developer or its successors and assigns in the Master Deed or elsewhere.

The Developer shall have the right to enforce these Bylaws throughout the Development and Sales Period, which right of enforcement shall include (without limitation) an action to restrain the Association or any Co-owner from any activity prohibited by these Bylaws.

**ARTICLE XX
SEVERABILITY**

In the event that any of the terms, provisions or covenants of these Bylaws or the Condominium Documents are held to be partially or wholly invalid or unenforceable for any reason whatsoever, such holding shall not affect, alter, modify or impair in any manner whatsoever any of the other terms, provisions or covenants of such documents or the remaining portions of any terms, provisions or covenants held to be partially invalid or unenforceable.
